National Centre of Indigenous Excellence (NCIE)

180 George St

Redfern NSW 2016

Time and date:

Wednesday 7 October - 12pm to 5pm

Thursday 8 October - 9am to 4pm

Where we're meeting

The meeting itself is being held in the NCIE conference space (made up of the Bidjigal Room and Wangal Room)

All visitors are asked to go to reception first (clearly signed from the front George Street gates) and you will be directed to the meeting space from there.

Getting there

Public transport

The NCIE is conveniently accessible by public transport:

From Redfern Station: It is a **600-metre walk**. You can take the Gibbons Street exit and walk east along Redfern Street, turning right onto George Street.

From Waterloo Metro Station: It is a **450-metre walk**.

There are also a number of nearby walking-distance bus stops.

Car

Onsite car parking is strictly available for people with accessibility requirements and has to be organised with NCIE ahead of time. There are, however, nearby public parking options:

Cope Street Car Park – 49 Cope Street, Redfern

IntelPark – Woolworths Redfern Car Park – 261/265 Chalmers Street, Redfern

Additionally, there are a few 1P or 2P street parking spots on George Street, Redfern Street and Renwick Street but they are highly competitive, strictly enforced by the local council and not recommended as they will interfere with your ability to participate in the meeting.

Onsite facilities

The NCIE has a number of onsite facilities including a shop and café. Catering will be provided for attendees throughout the days.

Accessibility

The facilities have wheelchair accessible entrances and public toilets. Although the conference space is upstairs, there is a lift. As mentioned above, onsite car parking can be arranged ahead of time if you have an accessibility requirement.

Health and safety

Smoking and vaping are not allowed anywhere on the NCIE site.

First Aid facilities are available at NCIE Fitness & Aquatics. You can contact staff on 0488 593 125 or Fitness Reception (02 9046 7800) for First Aid support.
